

I am writing to oppose expansion of LPFM if it means losing my favorite radio station, Air 1. Air 1 has improved my life with great commercial free music & uplifting short personal commentary. Air 1 is the only station I listen to in my car and I don't have to switch around to find music. I often recommend Air 1 and I know many others in my community are benefited in a positive way. If I have to scan for music and some vulgar programing comes out it is very upsetting and I will give up radio!
